

NEW RANGE

ZODIAC™ PRO OPEN

PURE PLAYER!*

* Unique player!

Pro Open 650 NEO

The design of the new Pro Open Range is firmly focused on a new way of experiencing the seas, a perfect balance of performance and comfort.

With excellent seakeeping qualities thanks to its deep V-shaped hull, which is borne from Zodiac™'s expertise, and its optimized deck plan allowing ease of movement on board, the Pro Open provides exceptional comfort.

Perfect ergonomic designs, ease of movement on board and a new aft bench seat on the 550; the versatility of the Pro Open models has been thought out in detail to allow you to experience unique thrills and enjoy your passion for the sport with no holds barred. It is designed in such a way that it can be easily transported, even with the buoyancy tubes inflated, and adapted to suit your passion, whatever it may be: Little sailing trips, fishing, water-skiing, wakeboarding, sunbathing, etc.

It allows you to share your passion for the sea with your circle of friends and family in total safety.

Your move!

The Points of the PRO OPEN

Special Technical Features

- Deep V-shaped hull
- Removable buoyancy tubes that are Zodiac™ patented

On-board Comfort

- Ease of movement
- Self-draining deck
- Tilt steering console with storage area
- 54 litre cooler on the Pro Open 650
- 75 litre fuel tank (Pro Open 550) or 120 litre fuel tank (Pro Open 650)
- Navigation lights

Maximum speed ⁵ (in km/h - knots)	72 - 40	77 - 42
Hull angle	24°	24°

Indicated measurements may vary by +/- 3%, or +/- 5% for weight and speed measurements. (1) Maximum permitted load is calculated using ISO standards. Caution is advised when operating fully laden boats. (2) Recommended power is based on optimal use of the boat's abilities under average load. Depending on use, choose either maximum (waterskiing) or minimum power (fishing, cruising). (3) The manufacturer's plaque specifies maximum permitted power. The power of your boat must not exceed this under any circumstances. (4) Maximum permitted weight/dry weight, according to motor manufacturers' catalogue specifications. (5) Maximum speeds are intended as a guide only; they were measured in ideal conditions by professional pilots with one person aboard. They may vary according to make of motor, boat load, propeller type and water conditions. (6) Models in this catalogue are sometimes shown with optional accessories. Please check standard equipment supplied with each model and see your distributor for any additional equipment. The availability of certain models, as well as certain equipment details may vary from country to country (e.g. USA, Canada). The boats photographed in this catalogue may differ from the actual models. Zodiac™ continually strives to improve the quality of its products and as such reserves the right to modify or delete any model presented in this catalogue without prior notice. The boats Zodiac™ recommends that a life jacket is worn at all times; it is your own responsibility to check the legal obligations on your navigation zone.
